**Sub: Disclosure pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sirs,

By its Order published in the Official Gazette on 25<sup>th</sup> October, 2022, the Central Government has decided that, Glyphosate will be used only through Pest Control Operators (“PCOs”).

Glyphosate is a broad spectrum weedicide in use all across the world for several years. Presently, the number PCOs in India and their reach and network in rural areas is limited.

Glyphosate is an important product for the Company. The Order will have no impact on export business for the product. It is difficult to assess impact of this Order on domestic consumption of Glyphosate. It may, however, impact domestic sale and consumption of Glyphosate in the short term – at least in the initial period – because, as stated above, presently, the number of trained PCOs in India is not sufficient.

The Company is taking adequate steps to mitigate adverse impact, if any, arising out of the Order.

Thanking you,

Yours faithfully,  
For **Sumitomo Chemical India Limited**
